Media Article : Visitors to the National Library Book Fair 'soak up' release of new, amazing MP3, 'Soak Up Information Like A Sponge'.
New self help CD release Sold Out in 3 days!

The crowd just went crazy at booth 21 of the Singapore Expo hall last week. They all wanted to get their hands on the limited edition release of the CD that can help transform the brain into a sponge and helps to improve one's memory, learning ability and recall.

Initially targeted at young readers and the school going audience, many adults were also grabbing copies of the MP3, which also helps to take you safely and easily into a state of incredibly deep and pleasurable relaxation, and thus Lowers stress levels immediately and allows levels of harmful stress hormones to normalize.

Ms. Anita who was one of the first few to get herself a copy said, 'It is very relaxing and I am feeling very good now.' She is awaiting her 'O' level results and wished she had a copy of it a few months ago while she was studying for her exams. She felt that it would have allowed her to sail through easily and would have helped her get better grades.

This MP3 helps you program yourself for success and you will remember all information you read, see, hear about or receive in any format. It is great for students and also working adults alike. In today's information age, we need all the help that we can get to excel in this area.

Mr. Manson a Director of Education with one of the leading private schools said that he is considering ordering a copy for all his students as part of their welcome orientation package. This order could be as large as 3,000 copies every 3 months for his school.

In all the bash, some people were not that excited about the launch. Tina for one said, 'I think that most people may use the MP3 once or twice, but after that they will not. So I wonder whether it will be that beneficial.'

We spoke to the creator of the MP3, Pal, PhD(c) and he mentioned that though each and every single independent use is effective, but to have a permanent effect, a person needs to use it regularly for at least 21 to 28 days. Then a tremendous positive change will be seen and the person will not only be more creative, less stressed but in general show a progress in all facets of life.
